

## COPERSSON No. 1

In the beginning of the pure coffee spoon design was with a duck-tail, pear-shaped scoop with the facet. In the 100 years celebration In 2008 it was decided from the company to resume production of this original model of the coffee spoon for commemorative spoon. Commemorative spoon the genuine Torne Valley Flower, hand-engraved the spoon handle. Besides COPERSSON stamp is the bit thicker and has a hand engraved numbering at the back. Now I give you the opportunity to purchase these exclusive commemorative spoons characteristics as the original model that Carl Oskar Persson produced.

The first 100 s wallet with six numbered COPERSSON stamped commemorative spoons offered for SEK 2990 per pouch - and can be ordered directly.

Yours Sincerely  
Fredrik
